

**MORRIS & RITCHIE
ASSOCIATES, INC.**

**Joshua C. George, P.E. Named
One of Central PA's Forty Under 40**

October 1, 2009

York, PA - Morris & Ritchie Associates, Inc. (MRA) is pleased to announce that Joshua C. George, P.E., has been selected as one of *Central Penn Business Journal's 2009 Forty Under 40* award recipients. This award recognizes Mr. George's commitment to business growth, professional excellence, and the community.

Joshua George is an associate with MRA and manages the firm's York office. Originally from Pittsburgh, Joshua has been a York County resident for the past 25 years. He is a graduate of Red Land High School and obtained his Bachelor of Science in Civil Engineering and Master of Science in Civil Engineering degrees from Virginia Tech. Active in the community, Joshua serves as Chair of the City of York General Authority, is an appointed board member of the York County Planning Commission, and serves on the boards of both the York County Builders Association and York City Dollars for Scholars.

With offices in Pennsylvania, Maryland, and Delaware, Morris & Ritchie Associates, Inc. is the mid-Atlantic region's premier provider of professional design services to the real estate development industry. MRA's projects include the Inner Harbor East re-development in Baltimore, Maryland, the Ripken Stadium complex in Aberdeen, Maryland, and Bulle Rock in Havre de Grace, Maryland. Locally, MRA has provided land planning, civil engineering, and surveying services for residential, commercial, institutional, and industrial clients including projects such as Regents' Glen Country Club in Spring Garden Township, Logan's Reserve in Springfield Township, and the re-development of Lincoln Park in the City of York.
